## Product Lineup

～ A total of 9 types in a wide variety～

### Yuzu & Honey

It is our most popular product. The citric acid in yuzu refreshes your busy life.

### Kyohou & Honey

The sweet-and-sour taste of grape and the gentle sweetness of honey match wonderfully. We also recommend pouring it over vanilla ice cream.

### Blueberry & Honey

Works great as a yogurt sauce! It can also be mixed with cold water to make a drink. Enjoy a harmony of the sourness of blueberries with the sweetness of honey.

## Mango & Honey

Honey is added to mangoes received full of sunshine. Mix with yogurt and milk for a mango lassi.

## Lemon & Honey

It has a refreshing sweet-and-sour taste and is recommended for drinks. It is excellent when mixed with soda water.

## Apple & Honey

Enjoy the refreshing tangy taste of green apples.

## Raspberry & Honey

Added Raspberries, which are gaining attention as a diet food in honey.

## Acerola & Honey

Acerola's vitamin C supports health and beauty.

## Maple & Honey

It has a flavorful and rich taste that is perfect for toast.
